Warrant

To the Inhabitants of Dalton, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Dalton on Tuesday, the 9th day of March next, at 12 o'clock noon to act upon the following subjects. The polls will be open at 12 o'clock and will close at 6 o'clock in the afternoon. The business meeting will open at 8 o'clock in the evening.

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town will vote to give the Selectmen the right to issue temporary loans in anticipation of taxes.
3. To see if the Town will vote to accept the Budget for 1971 as prepared by the Selectmen and appropriate the amounts therein or to make any changes.
4. To see if the Town will vote to authorize the Selectmen to hire a bookkeeper not a member of the Board of Selectmen and raise money to pay same.
5. To see if the town will vote to have the Town reappraised by outside appraisers and raise money to pay for same over a period of two years.
6. To see if the Town will vote to authorize and empower the Planning Board of the Town of Dalton to approve or disapprove in its discretion new subdivisions and plats thereof showing streets, or the widening thereof, or parks, and upon the adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Coos a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Section 19, and Sections 19-29 inclusive, Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955. If this article is adopted, it shall further be the duty of the Town Clerk to issue all certificates of failure when the Planning Board shall fail to take action as provided in Chapter 36: Sections 19, 20-29 inclusive.

7. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 18th day of February 1971.

W. SCOTT ALDRICH

Report of Police Department

To the Board of Selectmen:

I hereby submit my annual report as your Chief of Police for the year ended December 31, 1970.

A total of 36 cases was brought before the Lancaster District Court for disposition. The bulk of these were for various motor vehicle violations. It should be noted here that the Town of Dalton does not receive any part of fines imposed by the court and naturally they do not share in the expense of bringing these cases to court. It costs an average of \$5.00 for each case presented and this is only a small part of the cost. It does not include the time involved in investigation and preparation of same. This past year we investigated a total of 17 accidents, 27 cases of breaking and entering and larcency along with 15 cases of malicious damage and/or vandalism. Several cases of petty larcency were taken care of without court action because of the cost involved. Of the 27 cases of B.E. & L., 14 are considered solved which is a substantial increase over past years. I personally have spent well over 100 hours and traveled more than 1100 miles on these particular cases. We have also spent many hours and traveled many miles in assisting the surrounding towns and they are willing to do the same for us. It is only through the cooperation of any and all departments, whether they be state, local or other that the rising crime rate can at least be slowed if not stopped.

At last years town meeting, a substantial increase was asked for and received in our budget with the understanding that we would receive some reimbursement through the Highway Safety Agency. With this in mind, I increased the number of hours and miles of patrolling and property checking in an effort to decrease the number of violations. It was not until late in the summer after several trips to Concord did we find out that there was no money available immediately to fund our program submitted for approval. The program was finally submitted to the regional office late in December and has not yet been approved for funding. During the year we also purchased a second radio for \$757.00 of which one half is to be reimbursed to the town. These units cost over \$1400.00 and had to be purchased by July 31st to insure this price. When this system is fully implemented we will be able to talk directly to cars operating out of Troop F as well as the other local departments and the Concord headquarters.

In the fall of 1969 I started travelling to Plymouth two nights a week, two hours of classroom work each night, to attend the newly instituted White Mountain Law Enforcement Institute. Graduation was held at Plymouth in early spring. This fall the same courses, with additions, are being held in Littleton and have been attended by myself and special officer Allan Bean. believe these courses have and will continue to be very helpful.

Total hours spent in 1970 increased by 450 to 1,390 and total mileage increased by 1,300 to 13,545. I believe that these hours paid dividends but still need the cooperation of more of the people. GET INVOLVED. If you see something that you know or believe is not according to Hoyle, call the Lancaster Highway Dept. (788-4641) or the State Police at Twin Mountain (846-5500) who have dispatchers on duty 24 hours a day 365 days a year. They will in turn get in touch with us or dispatch a cruiser in the area as soon as possible.

I want to thank the Board of Selectmen, other surrounding departments, both state and local, for their support during the past year and will continue to do the job the best way I know how.

Dalton Planning Board

The Dalton Planning Board has met several times during the past year. We have been closely associated with the Coos Six Planning Commission as they worked on the master plan for the six towns involved. Our town was well represented by planning board members at each meeting.

At our last meeting, the sub-division regulations on which we will vote at town meeting were discussed and revised to fit our town.

Following one more meeting of the Dalton Planning Board with the planning associates with which we are working, public meetings will be held and our own master plan will be presented to the town.

As we follow the development of the subdivisions in the areas south of us, it becomes more apparent what can happen here in Dalton if some minimum standards are not set up.

The expense to the town of building new roads, sewer systems, etc., if housing developments are allowed to build unchecked, could be appalling.

The time to set up these minimum standards is now, before undesirable elements do come in and we have no legal way to supervise or halt their developments.

Dalton is located in one of the few remaining undeveloped areas. As superhighways are built and it becomes easier to reach this area, we are going to grow. Now is the time to consider how we want to grow and what kind of a town we want to live in.

Conservation Commission

As of March 11, 1970, the Dalton Conservation Commission formed articles of agreement for voluntary corporations under the provisions of the laws of the State of New Hampshire 292 RS4 Volume 565, Page 245.

It is hoped the Picnic Area will be completed this spring with the help of the town men and equipment.

The signs for the area are ready and waiting to be erected. Lumber was purchased and fine picnic tables were made by the Commission members.

It is hoped water can be located in the area at the top of Bridge Hill. Approximately 30 homes and 2 businesses would be served.

A fire hydrant was purchased by the commission for this purpose. Test holes have been dug and land owners are being contacted on this matter.

A questionnaire will be sent in the near future to the citizens of Dalton requesting your ideas, suggestions and help on some of the key natural features of our environment.

It is with pleasure the Commission announces the election of Mrs. Zenaide Bradley as a director for the two year term to New Hampshire Association of Conservation Commissions.
